

# CAMP CHRONICLES

October 2024

## THANK YOU! THANK YOU! THANK YOU!

We can't believe how fast the summer of 2024 went by! Memories were made on the turf field, coding room and in the theatre. Our campers shined throughout the 7-week program. We heard endless cheers and saw large smiles. Friendships and memories were made that will stick with our campers during the school year!

This summer we saw our campers accomplish many things such as scoring their first goals, programming their robots and singing on stage. We couldn't be proud of our campers and what they were able to do this summer.

During the summer we introduced three new all-day programs. Our first was BVG under the big top where our campers had to help find the new circus act for the BVG Circus. Our second all program was the BVG Olympics our campers had to help their country win a medal at the games. Lastly, we finished our summer off with the Mario Kart Cup our campers needed to help their racers win the race. Our campers demonstrated spirit and enthusiasm for these days!

So, thank you for being such an important member of our camp family! Whether you are a parent, camper or staff member - you are what makes Bayview Glen Day Camp the amazing place it is!

We look forward to seeing you again in 2025,

Daniel & Kayley
